Data Protection

The club will use the information provided on this membership form (together with other information it obtains about the player) to administer his/her cricketing activity at the club and in any activities in which he/she participates through the club and to care for and supervise activities in which he/she is involved.

In some cases this may require the club to disclose information to County Boards, Leagues and to the England and Wales Cricket Board. In the event of a medical issue or child protection issue arising, the club may disclose certain information to doctors or other medical specialists and/or to police, children's social care, the courts and/or probation officers and, potentially to legal and other advisers involved in an investigation.

Membership

Junior membership of the club also provides that the parent(s)/carer(s)/guardian(s) of the child are given non-voting membership of the club as part of that junior membership. This entitles the parents(s)/carer(s)/guardian(s) no additional privileges that would otherwise be gained by paying the appropriate adult membership fee(s). Any use of facilities (for example social/training/playing) may incur such charges as applicable to relevant adult membership.
